)

On March 21, 2003, Hawaiian Airlines, Inc., the debtor and debtor in possession in the above-captioned case (the "Debtor") filed its Motion for Order Pursuant to Sections 105(a) and 364 of the Bankruptcy Code Authorizing Continued Use of Cash Management System, Maintenance of Bank Accounts and Use of Existing Business Forms (the "Motion"), requesting an order (the "Cash Management Order") authorizing the Debtor to continue to use its existing system of transferring funds between its bank accounts and to maintain its existing bank accounts and business forms, all as more fully set forth in the Motion. A hearing on the Motion was held on March 21, 2003, at which the Court granted the Motion with the proviso that if the Debtor determined that it could not modify its checks to add "Debtor-in-possession", a further hearing would be held on April 15, 2003, at 9:30 a.m. A further hearing was held before this Court on April 15, 2003, at 9:30 a.m., at which the Court determined that it was impractical and unnecessary for the Debtor to stamp "Debtor-in-possession" on the Debtor's payroll checks.

IT IS THEREFORE ORDERED, ADJUDGED AND DECREED AS

FOLLOWS:

1. The Cash Management Order entered on March 24, 2003, is modified to provide that the Debtor is authorized to use its existing check stock, and business form stock, rather than obtain new stock reflecting its status as a debtor in possession and listing the chapter 11 case number, and that the Debtor must attempt to place "Debtor-in-possession" on all of the checks that it issues with the exception of the Debtor's payroll checks.

Dated: Honolulu, Hawaii, APR 17 2003, 2003.
